

## Overview of Proposals for General Conference

Points included in this document are provided as a summary of the recommendations to the special 2019 General Conference. For more information, please read the entire report from the Commission on a Way Forward.

### One Church Plan

### Connectional Conference Plan

### Traditional Plan

**Summary:** This plan, preferred by a majority of the Council of Bishops, would remove restrictive language from the Book of Discipline that prohibits same-gender weddings in UMC properties and ordination of “self-avowed practicing homosexuals.” It would add language to protect churches and pastors who choose not to allow same-gender marriages.

**Summary:** This plan would replace the current jurisdictional conferences with three connectional conferences based on affinity: Progressive, Traditional and Unity. All three would use a general Book of Discipline (Articles of Religion, General Rules, Confessions of Faith) with the ability to adapt other portions to their context for ministry.

**Summary:** This plan, developed more fully toward the end of the Commission on a Way Forward process, broadens the definition of “self-avowed practicing homosexual”; puts penalties in place for disobedience to the Discipline; and requires bishops, pastors and annual conferences to certify adherence to the Discipline.

#### Local Churches

- Most likely would make no changes in practice at the local level.
- May rewrite wedding policies to explicitly allow or forbid same-gender weddings.
- Will covenant with bishop on whether congregation will accept LGBTQ pastor.

- Can choose affiliation.
- Still will set wedding policies with churches in the “unity” connectional conferences able to set parameters for building use and/or wedding policies in either direction.

- No vote unless the church disagrees with annual conference’s decision to stay or leave the UMC.
- Churches can leave if they disagree with annual conference’s decision to adhere to Discipline.

#### Clergy

- Can exercise individual conscience.
- Bishop & cabinet would take theological convictions into account for appointments.
- Ends potential for church trials.
- LGBTQ candidates can be ordained and appointed to local churches that approve and can request transfer of candidacy if conference Board of Ordained Ministry or clergy session chooses not to ordain LGBTQ persons.

- Will choose a connectional conference.
- Transfers subject to approval by Board of Ordained Ministry.
- Ordination would be recognized across all three connectional conferences.
- Security of appointment determined by connectional conferences, with emphasis on protecting women and minorities.
- Deacons and full-time local licensed pastors may see fewer opportunities.

- Must maintain Discipline or leave for “autonomous, affiliated or concordat church.”
- Just resolutions from complaints must include commitment not to repeat offense.
- First offense results in one-year unpaid suspension.
- Second offenses result in surrendering credentials.

#### Annual Conferences

- No vote is needed.
- Boards of Ordained Ministry and/or clergy session can discern whether to ordain LGBTQ persons.
- General Conference can craft a way for churches to exit with grace.

- Jurisdictional and central conferences will vote to join a connectional conference on simple majority vote.
- Annual conferences who want to join a different connectional conference than their jurisdiction chooses may do so on a simple majority vote.
- Annual conferences could revote every years.

- Must certify that it will uphold the Discipline.
- Annual conferences that won’t certify are urged to form “autonomous, affiliated or concordat” church, and churches that leave can’t use United Methodist name or logo past 2020.
